

Holiday Lights CONTEST

Bring holiday cheer to Waunakee by entering your home or business in our Holiday Lights Contest! Decorate, dazzle, and light up your space for a chance to win exciting prizes and spread joy across the community.

How it works:

1. Register to Participate

Sign up to be a part of our Holiday Lights Contest! Once registered, we'll add your address to our *Official Waunakee Holiday Lights Map*, so the community can admire your display. Participants must be residents or businesses within the Village of Waunakee **and** a Waunakee Utilities customer.

2. Deck the Halls

Show off your creativity! Light up your space with your best holiday decorations.

3. Share the Magic

Encourage family, friends, and fellow community members to take a drive and see the lights! The map will be available for everyone to explore.

4. Vote for Your Favorites

First, Waunakee Utilities' staff will vote to select their top 15 entries. Then, we'll post the top contenders on our Facebook page for our followers on Dec. 17th to select the final winner! The photos with the most likes by December 23rd will be the winners. Make sure you're following Waunakee Utilities on Facebook (www.facebook.com/UtilitiesWaunakee) to participate in the voting.

SAVE WITH IRA HOME ENERGY REBATES

Save big on your home energy projects with the **Inflation Reduction Act!** Home Energy Rebates help to pay for improvements you've been wanting to do to make your home more comfortable, like insulation and heating upgrades. Rebate amounts are based on how much energy you are predicted to save and your yearly income. You could save even more when combining IRA rebates with Focus on Energy rebates or tax credits. **Use the Focus on Energy Get Started tool** to see what you qualify for and start saving big. Really big!
