

# GET COMFORTABLE BY SAVING ENERGY THIS WINTER

Take action with some simple, budget-friendly ways to reduce your energy use this winter, cutting down on heating expenses. Embrace the sunshine by keeping blinds and drapes open during the daytime. Seal gaps and insulate windows and doors to keep a cozy temperature indoors. For the greatest savings, use a programmable thermostat — every degree you lower it trims your heating bill by 1%.

# KEEP YOUR NEIGHBORS WARM

## Waunakee Utilities is once again supporting the Waunakee Ecumenical Board's Keep Your Neighbors Warm campaign

by collecting cash and check donations.

The donations will be used to help keep our less fortunate neighbors warm during the upcoming winter season.

In exchange for every \$25 donation made, Waunakee Utilities will provide you with one 25-foot strand of LED holiday lights, which use one-tenth the energy of traditional mini holiday lights. Maximum of three LED strands per household.
