Sign Up for Choose Renewable!

Sign up for our Choose Renewable Program during the month of October and be entered into a drawing for a chance to win an EGO self-propelled electric lawn mower. Receive one entry for each block purchased for new participants or increased blocks for existing participants.

CHOOSE
renewable

Did you know that it only takes two or three blocks of renewable energy to power the average home for a month? Our Choose Renewable Program starts at only \$2 per block per month and increases the amount of electricity generated from clean energy sources, helping lower costs over the long term.
