

A HELPING HAND FOR COLD WEATHER COSTS 2020-2021 HEATING SEASON

No one should be left in the cold. Wisconsin’s Home Energy Assistance Program (WHEAP) provides assistance with heating costs, electric costs, and energy crisis situations. The program is operated by local social and human services, and is available to income-qualified households. Energy assistance is a one-time payment each heating season (October 1 through May 15). The amount of the heating assistance benefit varies according to household size, income level, and household heating costs. For information on how to apply for energy assistance, call toll-free 1-866-432-8947 (1-866-HEATWIS).

HELP PROTECT OUR SANITARY SEWER SYSTEM

Waunakee Utilities is asking for help from customers in keeping the sanitary sewer system free from obstructions.

Be Careful What You Flush

DO flush:

Toilet paper

DO NOT flush:

Wipes (Baby or flushable) • Face masks • Gloves
Paper towel • Feminine hygiene products • Facial tissue

And remember, there is no such thing as a “flushable” wipe, even if the manufacturer has labeled it as such.

Contact the utility at (608) 849-8111 with questions about whether or not something is safe to dispose of in the sanitary sewer system.
