

# GET IN TOUCH WHEN YOU NEED TO MOST

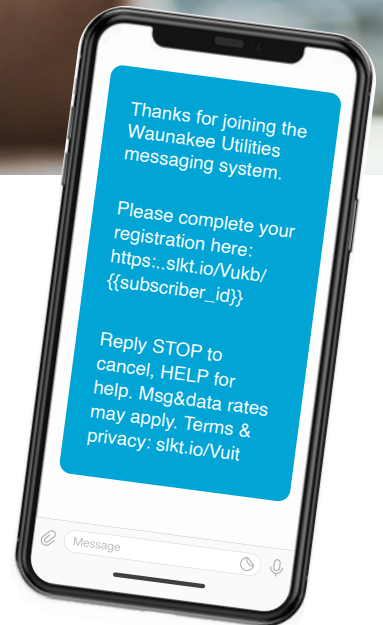

**We take pride in providing Waunakee with reliable power and friendly hometown service.** Waunakee Utilities is pleased to offer a new text notification service to help you stay better connected during a future power outage.

We can now send out timely outage notifications and other important utility information right to your phone so that you will know when our crews are working to restore your service. Don't worry, we'll keep our text messages to a minimum and send them only when necessary.

### Signing Up for Text Notifications is Easy

You have to register for this service and to get text notifications. To get started:

1. Text "Utility" to 888-671-1236 or scan the QR code to the right to register.
2. Complete a simple customer profile.
3. Relax knowing that we'll be in touch during future outages.
